Authority and Reference: Pursuant to the authority vested by Sections of the Business and Professions Code Sections 4005 and 4007 and to implement, interpret or make specific Sections 4005 and 4007 of the Business and Professions Code, the Board of Pharmacy is considering changes to Division 17 of Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Business and Professions Code Section 4005 authorizes the Board of Pharmacy to adopt regulations relating to the practice of pharmacy.

Business and Professions Code Section 4007 permits the Board of Pharmacy to adopt regulations relating to the supervision of ancillary personnel by a pharmacist.

Section 1793.3 allows a pharmacist to supervise a single unlicensed individual who can enter information into the pharmacy computer or prepare labels for dispensed prescriptions.

The proposed amendment to Section 1793.3 would permit a pharmacist to supervise that number of unlicensed individuals who enter information into the pharmacy computer or prepare labels that the pharmacist feels is appropriate. The proposed amendment also prohibits an employer from taking disciplinary action against the pharmacist for exercising their judgment regarding the number of unlicensed personnel to be employed in the pharmacy.

The Board of Pharmacy seeks to provide pharmacies greater flexibility in staffing to more effectively provide service to its customers.

Cost Impact on Representative Private Person or Business:

The Board of Pharmacy is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs: None

EFFECT ON SMALL BUSINESS

The Board of Pharmacy has determined that the proposed regulations would not adversely affect small businesses. The Board of Pharmacy has made this determination because the proposed regulation would provide pharmacies with greater flexibility in pharmacy staffing.

CONSIDERATION OF ALTERNATIVES

The Board of Pharmacy must determine that no reasonable alternative it considered to the regulation or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this Notice.
